User Stories

Our team is using Jira. All of our issues created for `lab 2` is in Backlog section and under Epic `Lab`:

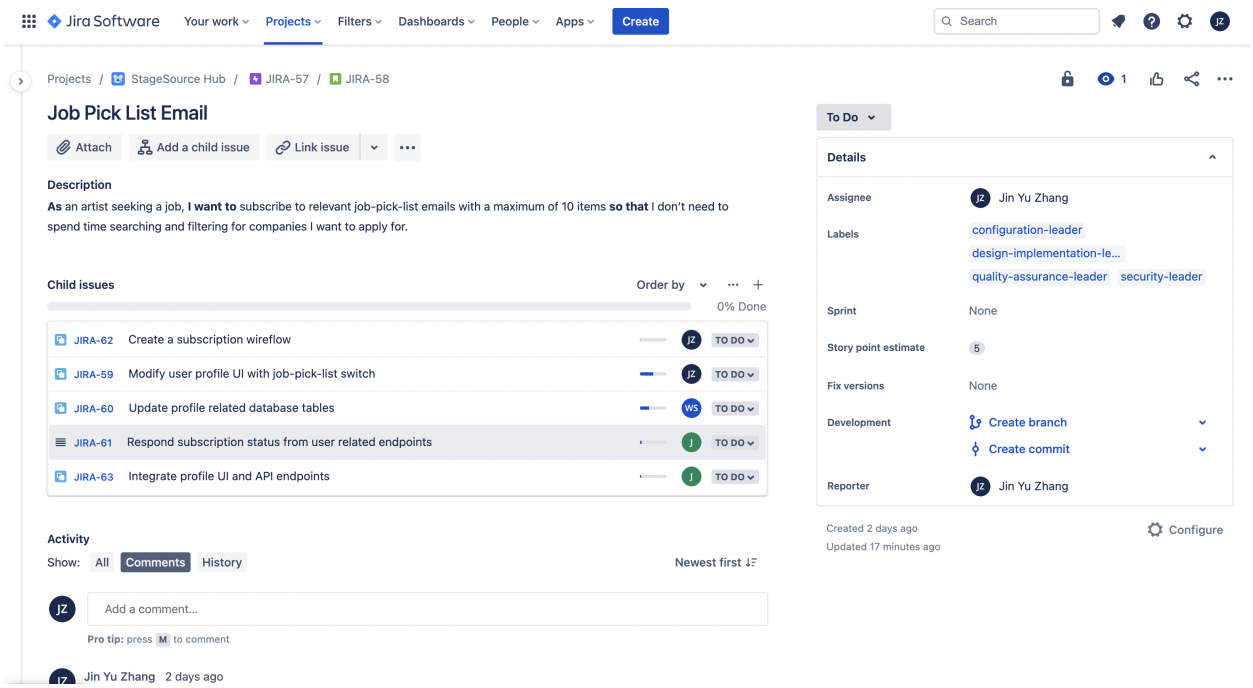

- **Project URL**: Link
- **Username**: Jin Yu Zhang

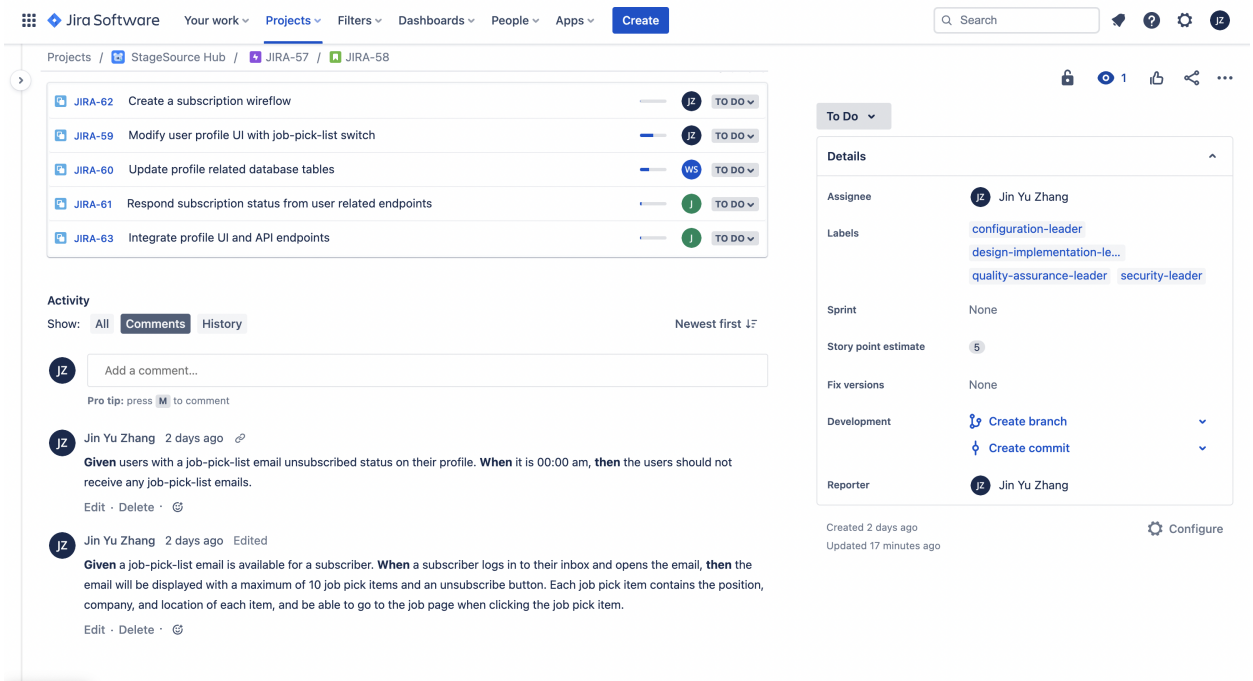

Job Pick List Email

As an artist seeking a job, **I want to** subscribe to relevant job-pick-list emails with a maximum of 10 items **so that** I don't need to spend time searching and filtering for companies I want to apply for.

- **Story URL**: Link

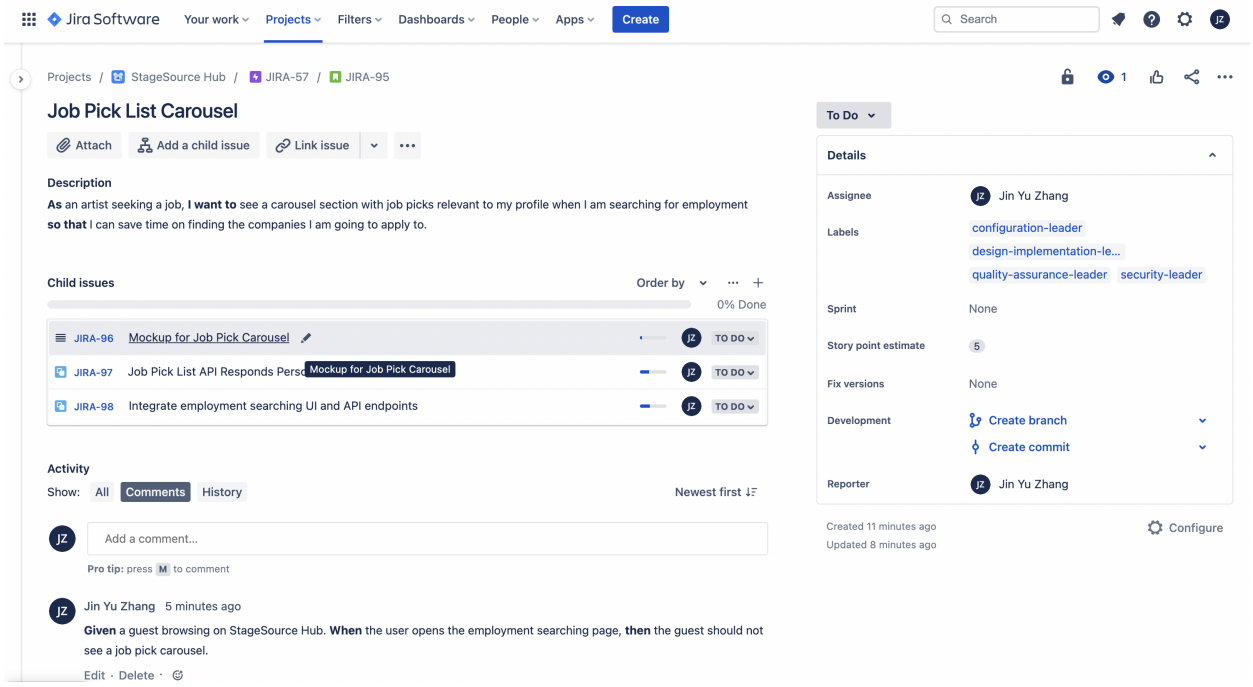

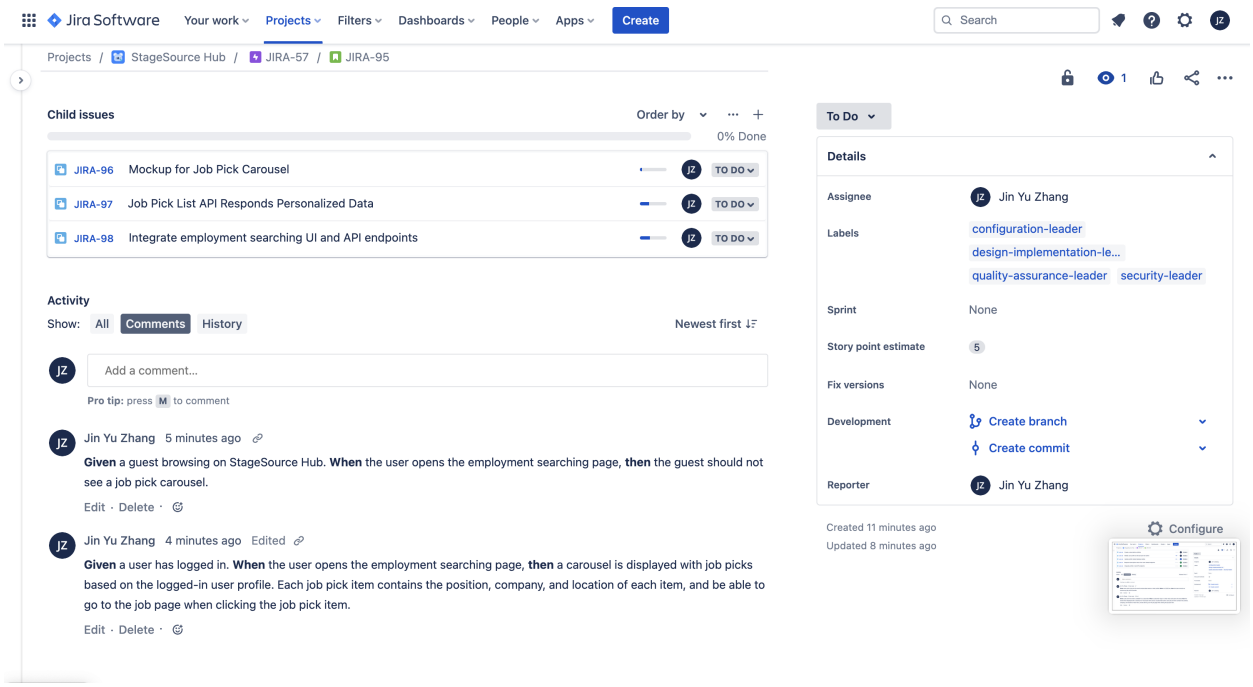

Job Pick List Carousel

As an artist seeking a job, **I want to** see a carousel section with job picks relevant to my profile when I am searching for employment **so that** I can save time on finding the companies I am going to apply to.
